

# Clear Margin

[Intro]

Cristofaro....

Peep this...

Go....

[Chorus]

Clear margin

Clean cut

I'm locked in

No luck

Long nights

Big pace

Whole life

New shape

Pressure on me

Still I move

They all talk

And I prove

New sights

High aim

Cristofaro

Know the name

[Verse 1]

Look,

I been running on fumes

Still I'm moving like I'm chosen

Scrubs to the studio

The door staying open

Long week heavy

But the vision got clearer

Whole new chapter

Every time I see the mirror

I ain't asking for a lane

I just built mine  
Turning all the pressure  
Into basslines  
Yeah, I made a lot  
VVS, easy to spot  
Who are you  
Sorry, I forgot  
By now you're just an afterthought

[Chorus]

I don't need luck  
I need timing  
Scrubs in the back  
Gold chain shining  
They talk big  
I move cold  
Clean Margin  
My new stronghold

[Chorus]

Clear margin  
Clean cut  
I'm locked in  
No luck  
Long nights  
Big pace  
Whole life  
New shape  
Pressure on me  
Still I move  
They all talk  
And I prove  
New sights  
High aim  
Cristofaro  
Know the name

[Verse 2]

Got a Phone full of mixes  
Notes full of lines  
Every song a vision  
Cut straight from my mind  
Writing these bars  
All through the nightfall  
She always on my phone  
Like im on call  
They stay waiting  
Waiting for me to fall  
But still I grind hard  
I came too far  
Made the vision real  
Now the whole life  
Is looking ideal

[Chorus]

Clear margin  
Clean cut  
I'm locked in  
No luck  
Long nights  
Big pace  
Whole life  
New shape  
Pressure on me  
Still I move  
They all talk  
And I prove  
New sights  
High aim  
Cristofaro  
Know the name

[Bridge]

I'm not the same man  
That was fighting to breathe  
I found the edge

Then I sharpened the blade  
Cut off the noise  
Now the margin is clean  
This ain't ego  
This is earned  
I took the pain  
And I built my domain

[Chorus]  
Clear margin  
Clean cut  
I'm locked in  
No luck  
Long nights  
Big pace  
Whole life  
New shape  
Pressure on me  
Still I move  
They all talk  
And I prove  
New sights  
High aim  
Cristofaro  
Know the name

[Outro]  
Cristofaro  
On a mission  
Clean Margin Music  
Yeah  
We here now
